## **Dry and Wet 5S Cleaning Stations with optional color-coded tools**

Get your team excited about 5S and maintaining a clean workplace. Our 5S cleaning stations provide a designated location for every day cleaning tools in either a dry or wet environment. Eliminate time spent searching and reduce the replacement costs of cleaning tools that always seem to disappear. Add on a color coordinated tool bundle for a ready-to-use station.

***Organization solution for everyday cleaning tools***

- > Choose from a variety of backgrounds and tool shadow colors
- > Select a material that works best in your environment
- > Hardware for hanging tools is included
- > Color-coordinated tool bundles are available

## Color Coordinate with TOOL BUNDLES

*Add a TOOL BUNDLE to help implement zoning, improve efficiency and increase productivity.*

Create a complete system by bundling tools with your cleaning station. Tool bundles will match your shadow and help increase efficiency, reduce cross-contamination, and establish standard work.

Let our team help you decide what the best option is for your company.
