

Visualize. Improve. Sustain.

A full-page background image showing a construction worker on a scaffolding. The worker is wearing a yellow hard hat, a white face mask, a high-visibility yellow safety vest over a blue and white plaid shirt, and blue jeans. They are holding onto a vertical metal bar of the scaffolding with both hands. The background is a bright, hazy orange and yellow, suggesting a sunset or sunrise. The scaffolding is made of metal and has a grid-like structure.

Fall Protection

Visual Workplace is a leading provider of innovative visual communications that deliver a platform of continuous improvement and drive sustainability across all industries.

Overlays & Dry Erase Boards

Project Management Done Right!

Improvement necessitates measuring performance against the standard. No more hand-made graphics! Printed dry erase boards and overlays assist the team with problem solving and comparing goals to actual performance.

Visual Workplace has many designs to choose from or will customize a design at no additional cost. Simply contact us, and the design team at Visual Workplace will create a design to meet specific needs.

Material Options

Magnetic Dry Erase Boards

Magnetic, frameless dry erase boards are durable .118" steel composite. Graphics are long lasting.

Non-Magnetic Dry Erase Boards

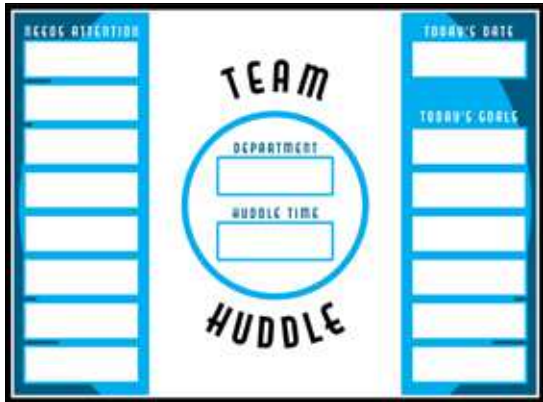

Non-magnetic, frameless dry erase boards are .118" acrylic, which offers excellent clarity, durability, and can be used as a dry erase surface.

Dry Erase Board Overlays – Magnetic and Non-Magnetic

- Magnetic or Non-Magnetic
- Printed on a thin, durable acrylic sheet with a frame that attaches to a dry erase board
- Graphics are printed on the backside
