

**Visualize. Improve. Sustain.**

A photograph of two industrial workers in a factory setting. On the left, a woman wearing a red high-visibility vest over a blue shirt and a yellow hard hat is gesturing with her right hand towards a large, metallic industrial component. On the right, a man wearing a blue high-visibility vest over a blue shirt and a yellow hard hat is holding a large wrench in his right hand and looking towards the camera. The background is filled with the complex machinery and pipes of an industrial environment.

# Maintenance & Repair

**Signage • Banners • Decals • And More!**

The Visual Workplace design team will create a sign to communicate unique needs.

Visual Workplace can support any industry with visual communications to:

 Increase Site Safety

 Support OSHA Standards

# PROJECT MANAGEMENT

## Overlays & Dry Erase Boards

### Project Management Done Right!

Improvement necessitates measuring performance against the standard. No more hand-made graphics! Printed dry erase boards and overlays assist the team with problem solving and comparing goals to actual performance.

Visual Workplace has many designs to choose from or will customize a design at no additional cost. Simply contact us, and the design team at Visual Workplace will create a design to meet specific needs.

### Material Options

#### Magnetic Dry Erase Boards

Magnetic, frameless dry erase boards are durable .118" steel composite. Graphics are long lasting.

#### Non-Magnetic Dry Erase Boards

Non-magnetic, frameless dry erase boards are .118" acrylic, which offers excellent clarity, durability, and can be used as a dry erase surface.

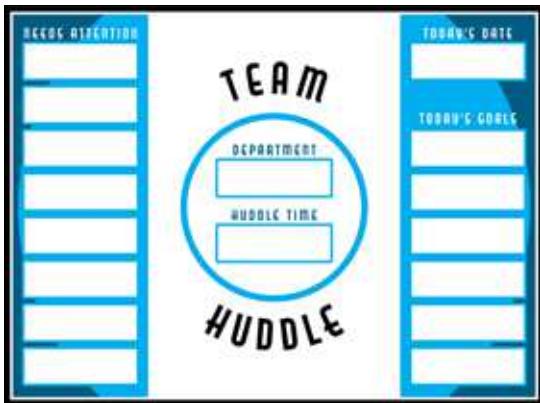

#### Dry Erase Board Overlays – Magnetic and Non-Magnetic

- Magnetic or Non-Magnetic
- Printed on a thin, durable acrylic sheet with a frame that attaches to a dry erase board
- Graphics are printed on the backside

## PolyLabels

Labels communicate the message in a unique way by adding color, and symbols reinforce standards. Create consistency throughout the facility with standard messaging that drives compliance. Labels keep team members informed and eliminate questions - resulting in a safer workplace, increased productivity and efficiency.

- Adhesive-backed
- Tear-resistant / moisture-resistant
- Flexible material for easy application to curved surfaces

### PolyLabels

SIZE	ITEM #
3" x 5"	54-1600-0305-(+style code)

## Hard-Hat Decals

Customize hard-hats with company logos. Pick from in-stock decals or customize decals to meet specific needs.

- Durable & tear-resistant
- Adhesive-backed
- Flexible material for easy application to curved surfaces
- Do not wrinkle or shrink
- Moisture-resistant
