Pre-Cut Tool Shadows

Our full-size, pre-cut vinyl tool shadows make it easy to create your own professional shadow boards to support 5S and Visual Management. Shadow boards allow you to quickly identify what tools are available and reduce time spent searching.

Our shadows can be customized to suit your needs. Apply to most smooth surfaces including glass, metal, plastic, desktops and pegboard. Color code your boards to help facilitate identification.

Six color options to choose from!

Create professional shadow boards in-house.

Shadow-Mark[®] is great for quality inspection processes, setup and process changeover. A useful product for organizing cleaning stations, medical instrument setup, break rooms, offices, mail rooms, maintenance areas and more.

Standard Tool Shadow Options

- > Full-size tool shadows
