## **Floor-Mark<sup>®</sup>**

Marking floors is one of the fastest and easiest ways to direct behavior and create visual communication in your work environment. Not only will floor markings communicate what is supposed to happen, you will reinforce the standards in your workplace and create SMART FLOORS with floor marking tape.

### **Standard Floor-Mark<sup>®</sup>:**

- > Ultra-low profile - 3.0 mil
- > Ideal for pedestrian traffic
- > Pressure Sensitive Permanent Acrylic Adhesive
- > Excellent Water & Humidity Resistance

**Direct behavior, improve safety and reinforce standards.**

Not one floor-tape fits all applications. Visual Workplace provides two options at different price points for a cost effective solution based upon the types of traffic in your workplace. Floor-Mark<sup>®</sup> uses a pressure sensitive acrylic adhesive with a peel and stick application for easy installation.

### ***Two options of Floor-Mark<sup>®</sup> to choose from!***

### **High Performance Floor-Mark<sup>®</sup>:**

- > Low profile - 14.0 mil to eliminate tripping hazards
- > High-Tack Adhesive formulated high traffic areas
- > Unique "High Bond" Acrylic Pressure Sensitive Adhesive
- > 3.5 times thicker than our standard Floor-Mark<sup>®</sup>

## Floor-Mark®

**Simple Application**

*Floor-Mark® comes in two options: Standard and High Performance.*

No minimum order quantities and available in multiple widths. These are value priced. Don't settle for a product that almost works! Let our team help you decide what would work best for your company. One step application - Peel & Stick. No Specific floor preparation, just clean area & let dry.

### High Performance Floor-Mark®

High Performance was designed to withstand tough conditions, outperform paint and is the optimal choice for industrial workplaces. Floor-Mark® High Performance uses an armor-like adhesive that provides long lasting performance, yet has the flexibility to conform to uneven surfaces.

Featuring a low profile, unlike thicker high-traffic products that create tripping hazards and snag on pallets and mobile items. Thicker and more durable; makes applying easy with less wrinkles and uneven lines.

Size	Item Number
2" x 100"	25-300-2100-(+ color code)
3" x 100"	25-300-3100-(+ color code)
4" x 100"	25-300-4100-(+ color code)

601 White    614 Green    618 Yellow    623 Red    634 Blue

### Standard Floor-Mark®

Floor-Mark® outperforms standard tapes and is a thin, durable profile designed specifically for industrial environments; withstands foot traffic, floor scrubbers. Won't stretch or fade.

Size	Item Number
1" x 100"	25-500-1100-(+ color code)
2" x 100"	25-500-2100-(+ color code)
3" x 100"	25-500-3100-(+ color code)
4" x 100"	25-500-4100-(+ color code)
5" x 100"	25-500-5100-(+ color code)

601 White    614 Green    618 Yellow    623 Red    634 Blue  
 628 Orange    620 Brown    630 Purple    627 Pink    603 Black
