DIY Foam Tool Organizer Kits

Foam tool organizers to quickly identify missing tools at glance. Can be placed in drawers or on racks to organize tools at the point of use. Need a custom size?

Let your team create their own foam tool organizers. Eliminate time spent searching for missing tools. Reduce tool replacement costs and increase workplace organization with DIY Foam Tool Organizer Kits.

You should be able to reach for a tool - knowing where it will be with just a glance.

Don't waste time looking for your tools.

- > Bright, contrasting colors show what's missing in a glance
- > Pressure Sensitive Adhesive (PSA) provides secure placement to contrasting ¼" foam
- > A great way to 5S your toolbox (Sort, Set In Order, Shine, Standardize, Sustain).
