

Make your workplace COVID-19 safe

Reinforce a safe return with these items:

- > Provide masks
- > Provide gloves
- > Provide sanitizing wipes, cleaners and sprays
- > Implement thermometer check-ins

Many areas will have different needs, for example, social distancing signs or floor decals for food lines and gathering areas, visible stations stocked with gloves, wipes, cleaners and sanitizer for the workers passing materials back and forth and hand washing signs in the bathroom are a few examples of how to emphasize a preventative environment.

What areas will you place your message?

Visual Hygiene Station

Visual Hygiene Station boards provide masks, gloves, wipes, and sanitizer directly at the point of use. Place these stations in the school at entrances, offices, lounges, cafeterias, hallways, classrooms, gyms, and other area in your school. Choose from two different types of materials, our PVC for general use and our Thermoplast (food grade) option for sensitive environment. Size is 24" x 36".
