Dry and Wet 5S Cleaning Stations with optional color-coded tools

Get your team excited about 5S and maintaining a clean workplace. Our 5S cleaning stations provide a designated location for every day cleaning tools in either a dry or wet environment. Eliminate time spent searching and reduce the replacement costs of cleaning tools that always seem to disappear.

Organization solution for everyday cleaning tools

- > Choose from a variety of backgrounds and tool shadow colors
- > Select a material that works best in your environment
- > Hardware for hanging tools is included
