

Virtual LED Safety Symbols

100W Standard

Direct pedestrian traffic and keep employees safe

Virtual LED Safety Symbols are an ideal alternative to floor decals in high traffic areas to direct pedestrian traffic and keep employees safe. There is no wear and tear or replacement costs for decals that just won't stick. Images can be changed easily by replacing the image disk.

- Bright LED walkways offer high contrast to direct pedestrians and forklift traffic
- LED life rated at 75,000 hrs. - compared to other products at 30,000 hrs.
- Provides maintenance-free symbols
- Eliminates the need to repair or replace floor decals
- Ideal for high traffic areas
